**NEWS LETTER 2/2011**

Dear Parents

**ATHLETIC CIRCUIT MEETING : FRIDAY, 4 FEBRUARY 2011**

1. Please take note that the Department of Education requested that Laerskool Thabazimbi should host this circuit meeting. We only do this to accommodate our athletics as there are no other facilities available.
2. The request was that this meeting should be during school hours as many athletes experience transport problems on Saturdays.
3. There will be no official schooling for our learners on Friday. Only the athletes that participate in the Circuit meeting must report to school on Friday.
4. The lost academic time will be caught up during the following two weeks.
5. The school shall be closed and the entrance to our school and facilities will be out of bounds for everyone, as there will be strict entrance control at our gates.

We appreciate your support in this matter.

Yours sincerely
